

Homestead Overview

revised April 2009

North

100'0"

This map illustrates a homestead layout designed for rotational grazing. The property is divided into four main paddocks, labeled in large red text: Paddock 1, Paddock 2, Paddock 3, and Paddock 4. Paddock 1 is the largest and contains several key features: a yellow-shaded 'ORCHARD / FOOD FOREST' area, a brown-shaded 'POST OAK THICKET', a pink 'BARN', a 'Dog House', a 'Hot Tub', a 'Play Ground', a 'GARDEN' (green-shaded), a 'HOUSE' (pink-shaded), and an 'Edible Lawn'. A 'Road to pond' is shown as a dashed line leading from the lower part of Paddock 1 towards the bottom of the map. A 'Loading Shed' is located near the barn. The map also shows various tree symbols (circles with internal patterns) and crop areas like 'Olive Orchard' and 'Calorie Crops'. A legend in the top right corner provides a north arrow and a scale bar indicating 100 feet. The overall title 'Homestead Overview' and revision date 'revised April 2009' are also present.
